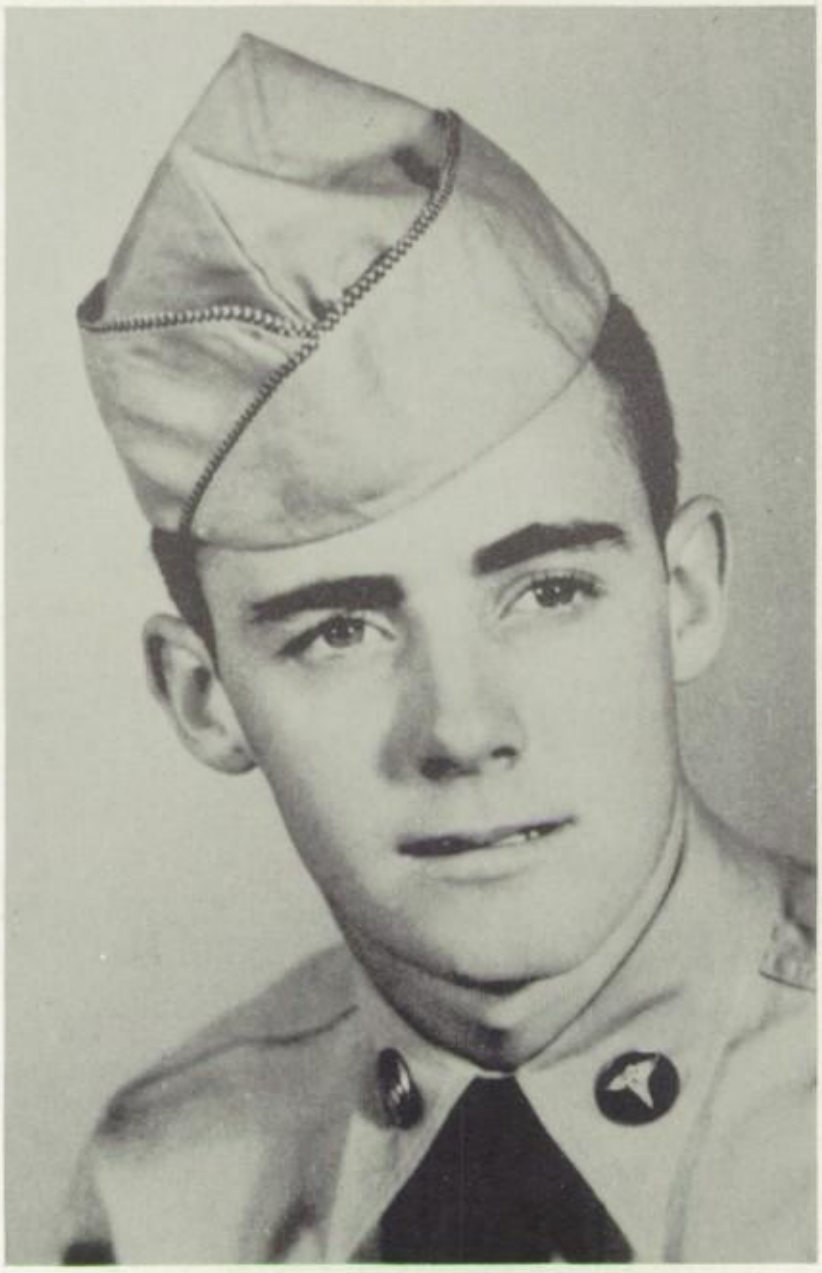
Our Guardians

In Memoriam



WE fondly recall Jack Gross who left school when he was in the tenth grade, to enlist in the U.S. Army. He served as Private First Class for a period of thirteen months.

On January 15, 1952 he was sent to Korea to fight for his country. He spent six long months in combat.

On July 2, 1952- A tragedy struck- Jack Gross lost his life. Jack was well-known and liked by all of his fellow classmates. The Class of Fifty-Three will always remember their classmate, Jack Gross for his friendliness and his great courage.

Chief Engineer

Harry Ward Beecher, a noted minister and renowned speaker, once defined "Education" as the "knowledge of how to use the whole of oneself. Many men use one or two faculties out of the score with which they are endowed. A man is educated who knows how to make a tool of every faculty--how to open it, how to keep it sharp, and how to apply it to all practical purposes."

Although the writer has long since passed on, these words are still true as the day they were first uttered. Many things that we are able to do we fail to accomplish because we are not resourceful enough to adapt our knowledge to the thing at hand. Other times we are too indolent to apply our training to channels needed. They say the hardest job we mortals have is "to think." Many people could easily vary their type of work if they would only be willing to think.

Therefore, in the years after you have left the doors of the Eddystone High School, many times, your happiness will depend on how much time you give to the task of using the many faculties God has given you. Keep what you have learned; and happiness, friendship, and success will be yours.

-Wilmer R. Fryer

Assistant Chief Engineer

Mr. Horace F. Erb, nas for many years been Assistant Supervising Principal at Eddystone High School. The Faculty and students alike admire him for his untiring efforts and ability to help with all problems no matter how insignificant they may be.

We, as Seniors, would like to express our thanks to Mr. Erb, for making our years in school happy ones.

Junior High Principal

Rodman Smith, Jr. is our newly appointed Junior High School principal. When he was a member of the faculty, he was noted for his highly developed sense of humor. This trait still prevails. However, Mr. Smith can be stern and serious. All these faculties have gained for him respect and esteem from the student body of Eddystone Junior High School.

Vocational Director

Henry L. Rossé-Director of Vocational and Industrial Arts Education has gone to many schools to prepare for this position.

His duties at Eddystone High School are to administer and supervise programs of Vocational, Industrial Arts, and Trade Extension Education.

Many a vocational student has found that a recommendation from Mr. Rossé is highly profitable in the process of securing a position.

Elementary Principal

Dorothy Taylor

The Elementary School of Eddystone Borough is now under the supervision of Miss Dorothy Taylor. Miss Taylor taught kindergarten for 16 years before assuming her duties as Principal. She attained her Bachelor of Science degree in Education at West Chester State Teachers College. She expects to do some post graduate work at Temple University.

School Board

Left to right: William Hewlings; Mrs. Etta Miller, President; Leroy Cassidy, Vice-President; H. Earl Wentzel, Secretary; Joseph Mitchell, Treasurer.

The 1953 Senior Class express their thanks to five of Eddystone's most prominent citizens, who have devoted themselves to the welfare of our alma-mater.

This untiring organization has started each individual senior along the road of learning, by supplying them with the facilities for bettering and furthering their education for future success in life. We, as Seniors, appreciate your efforts.

Honor Society

The purpose of the National Honor Society is to pay tribute to those possessing a large degree of scholarship, leadership, character, and service.

Each year, the Faculty Honor Society choose a select group of pupils from the Junior and Senior classes to share its glory.

The members of the Honor Society this semester undertook the task of supporting the formation of a Student Council in Eddystone High School.

Under the able direction of our competent sponsor Miss F. Geneva Dolbow, the installation services are one of the memorable occasions of the school year.

SITTING: Barbara Tarr. STANDING: Yvonne Stevens, Miss Dolbow, Sponsor, Jean Cobots, Barbara Rinehart.

Hi-Q

For the third consecutive year, a team of four Eddystone High School students competed for the $1,000.00 prize given annually by Scotts Hi-Q--a contest to determine the attentiveness and knowledge of the participants.

SEATED: A. Williams, D. Blizzard, L. Hergert, Y. Stevens-Secretary, J. Cobots-President, C. Clark-Vice President, M. Will-Treasurer, E. Wright, S. Booth. STANDING: R. Fenstermacher, G. Sophocles, J. Scheidly, N. Beck, G. Shapiro, B. Rinehart, M. McKenna, S. Dulin.

Student Council

Under the auspices of the Honor Society and their adviser--Miss Dolbow--a student council was formed this year in order to help the students help themselves. During the year, campaigns and elections for representatives were held, improvement committees were formed and our Constitution was written. To make all the students aware of Student Council, the Council sponsored two successful "Tag Days," a dance, a radio show, and "Students Day." All of this has been made possible through the cooperation of the entire school.

SEATED: S. Dhimitri, E. Manerchia, A. Stewart, J. Gizzi, J. Gaskell, E. Lucas, H. Redding, E. Pietras. STANDING: W. Syfrit, P. Kuehn, E. Keenan, P. Silva, J. Ware, Miss Dolbow, D. Marion, D. Hillard, A. Johnson, S. Mysel.

And, now, we say farewell,
to Eddystone High. We take with
us many fond memories, cherished
moments, wisdom and knowledge.
Our many thanks to you, our faculty
and our administration.
